Dear Steve:

When I returned to my office today from a business trip, Cotter's response to the Rock Road/Laidlaw submission was waiting for me. Since Charlotte did not indicate that she had sent a copy directly to you, I am enclosing one for your information. I trust you will review this document and prepare your informal comments. We will be doing the same; however, Bill Werner is out of the office on vacation until the middle of June. We will contact you and Mike Hockley for your comments following Bill's return.

Sincerely,

James F. Gunn
